ORAL-B ESSENTIAL FLOSS WAXED 50M

New improved dispenser!

- Oral-B EssentialFloss Waxed Dental Floss removes plaque where your brush can't reach.
- Brushing alone can't get to all the hard-to-reach places where plaque builds up. But Oral-B EssentialFloss can. With its light wax coating and its shred-resistant texture, it slides easily between your teeth. It helps clean the tough-to-get plaque away. Used morning or evening when you brush, Oral-B EssentialFloss helps your gums and your teeth stay healthy.
- Shred-resistant.
