

# STAINLESS STEEL INSTRUMENTS

## EXPLORERS

- Featherweight at only 19-grams
- Hollow-core handle: lightweight but maintains strength.
- Excellent handle grip – perfect handle thickness
- Well-balanced Italian design.
- Manufactured from the finest Italian medical-grade Stainless Steel
- Tips made from AISI 420, a martensitic stainless steel offering a high hardenability and strength.

No.6

Code: TD15006  
**\$32.00**

*With empty handle*

No.23-17

Code: TD15025  
**\$39.00**

*Double-ended  
with empty handle*

No.9

Code: TD15009  
**\$32.00**

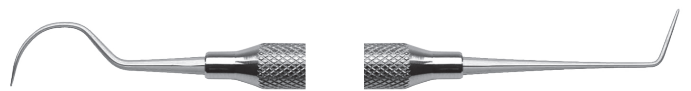

*With empty handle*

No.16-23

Code: TD15027  
**\$39.00**

*Double-ended  
with empty handle*

No.17

Code: TD15017  
**\$32.00**

*With empty handle*

No.6-12

Code: TD15029  
**\$39.00**

*Double-ended  
with empty handle*

No.23

Code: TD15023  
**\$32.00**

*With empty handle*

## PROBES

- Featherweight at only 19-grams
- Hollow-core handle: lightweight but maintains strength.
- Excellent handle grip – perfect handle thickness
- Well-balanced Italian design.
- Manufactured from the finest Italian medical-grade Stainless Steel
- Tips made from AISI 420, a martensitic stainless steel offering a high hardenability and strength.

### WILLIAMS No.1

Code: TD15101  
**\$35.00**

#### With empty handle

- Scale of 1, 2, 3, 5, 7, 8, 9, and 10 for more accurate pocket depth measurement.

### 26 G/A No.7

Code: TD15107  
**\$35.00**

#### With empty handle

- Scale of 1, 2, 3, 5, 7, 8, 9, and 10 for more accurate pocket depth measurement.

### LASER NO.7A CP15

C: TD15107ACP15  
**\$35.00**

#### With empty handle

- With Black Laser bands for quicker pocket depth measurement
- Scale of 4, 5, 9, 10, 14, and 15 for depth accuracy.

### LASER CP12

Code: TD15110  
**\$35.00**

#### With empty handle

- With Black Laser bands for quicker pocket depth measurement
- Scale of 3, 6, 9, and 12 for depth accuracy

### WILLIAMS No.1 - GOLDMAN FOX

Code: TD15111  
**\$39.00**

#### Double-ended with empty handle

- Scale of 1, 2, 3, 5, 7, 8, 9, and 10 at both ends.

### EXPLORER No. 23/WILLIAMS

Code: TD15141  
**\$39.00**

#### Double-ended with empty handle

- Scale of 1, 2, 3, 5, 7, 8, 9, and 10 on Probe.

## ENDODONTICS

- Featherweight at only 19-grams
- Hollow-core handle: lightweight but maintains strength.
- Excellent handle grip – perfect handle thickness
- Well-balanced Italian design.
- Manufactured from the finest Italian medical-grade Stainless Steel
- Tips made from AISI 420, a martensitic stainless steel offering a high hardenability and strength.

### SPREADER No. 5

*With empty handle*

Code: TD15135  
**\$32.00**

### VERT CONDENSER

*Ø 0.6 with empty handle*

Code: TD15151  
**\$32.00**

*Ø 0.9 with empty handle*

Code: TD15153  
**\$32.00**

*Ø 0.7 with empty handle*

Code: TD15152  
**\$32.00**

*Ø 1.1 with empty handle*

Code: TD15154  
**\$32.00**

## RESTORATIVE

- Featherweight at only 19-grams
- Hollow-core handle: lightweight but maintains strength.
- Excellent handle grip – perfect handle thickness
- Well-balanced Italian design.
- Manufactured from the finest Italian medical-grade Stainless Steel
- Tips made from AISI 420, a martensitic stainless steel offering a high hardenability and strength.

### FILLING BALL BURNISHER No. 1

Code: TD15046

**\$39.00**

*With empty handle*

### PLASTIC FILLING No. 1

Code: TD15075

**\$39.00**

*With empty handle*

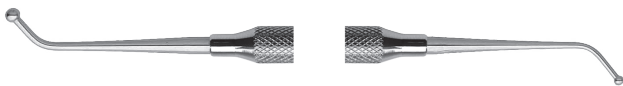

### FILLING BALL BURNISHER No. 2

Code: TD15047

**\$39.00**

*With empty handle*

### PLASTIC FILLING No. 1A

Code: TD15171A

**\$39.00**

*With empty handle*

### FILLING BALL BURNISHER No. 3

Code: TD15048

**\$39.00**

*With empty handle*

### PLASTIC FILLING No. 2A

Code: TD15172A

**\$39.00**

*With empty handle*

### WESTCOTT FILLING No. 1

Code: TD15069

**\$39.00**

*With empty handle*

### PLASTIC FILLING No. 3A

Code: TD15173A

**\$39.00**

*With empty handle*

# INSTRUMENTS – RESTORATIVE
